

SUMMER CAMP - DIRECTIONS

Directions to the Island

Coming into Killin from the West (Locheanhead/Crianlarich) – with the Falls of Dochart on your left **do not turn left onto the bridge into the village** – instead go straight on and enter the Kinnell Estate. Follow the rough track indicated by the black line on the map until you reach the green boatshed. When you get to the loch you'll need to attract our attention by ringing the bell which will be hanging on the boatshed. We'll come over to get you by boat.
